

# Contractor Reporting Form

## Vegetation Management Cost-Share Program- 2023

The West Region Wildfire Council relies on grant funding to help support our Vegetation Management Cost-Share Program. These grants require WRWC to report certain metrics from the awesome work our Contractors complete on behalf of landowners. Please fill this form out for **every project** you work on and submit this form to Josh Hansen at [Josh.Hansen@cowildfire.org](mailto:Josh.Hansen@cowildfire.org) when you are finished with the project.

<b>Contractor / Business Name:</b>		<b>Landowner / Project Name:</b>	
--	--	--------------------------------------	--

### 1. For Wood Utilization- please indicate the following:

- Product Type- such as firewood, post/poles, sawlog, etc.
- Species- such as pinyon pine, juniper, Douglas fir, lodgepole pine, Engelmann spruce, subalpine fir, aspen, gambel oak, etc.
- Volume/Amount- such as cords, CCF, MBF or BF, # of posts/poles
- Landowner/Contractor Use- indicate if you left product for landowner or used yourself

1. Wood Utilization			
Product Type	Species	Volume/Amount	Landowner or Contractor Use?
No Wood Product Utilization- All material was masticated/chipped and chips/chunks were left on site (check box)			<input type="checkbox"/> everything was masticated

### 2. For the Total # of People Employed on Project- please indicate the following:

- the number of people you had working on this project- this includes yourself, employees, subcontractors, truckers, etc.

<b>2. Total Number of People Employed on this Project:</b>
